Jurisdiction (S. Kanara) Barya & Tekkan villages - transfer from Mangalore Taluk & division to Puttur Taluk & Dumcm. Notification published & recorded

Ref.No.3365-28-A2. South Kanara Collector's Office,
Mangalore, 2nd October 1928.

From

G.W. Wells, Esquire, M.A., I.C.S.,
Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue and Settlement,
M a d r a s.

Sir,

Jurisdiction - Transfer of Barya and Tekkar villages from Mangalore Taluk to Puttur Taluk - proposals submitted.

*****

I recommend that the villages of Barya (No.155) and Tekkar (No.154) in the Mangalore Taluk may be transferred with effect from 1st January 1929 from the Revenue jurisdiction of the Deputy Tahsildar, Bantwal and the Revenue Divisional Officer, Mangalore division to the Revenue jurisdiction of the Tahsildar of Puttur Taluk and the Revenue Divisional Officer, Puttur division.

2. The villages though they lie within the jurisdiction of the Deputy Tahsildar of Bantwal are at present in the Magisterial jurisdictions of the Sub Magistrate, Puttur and Sub-Divisional Magistrate, Puttur division. My proposal is made with a view to make Revenue and Magisterial jurisdiction over these villages coincide. Except the 30 villages of Karkal Taluk referred to in Board's reference No.C-1564-28-2 dated 23rd March 1928, these are the only two villages in South Kanara which still lie in one jurisdiction for Revenue and another for Magisterial purposes.

3. The other alternative of transferring the villages to the Magisterial jurisdiction of the Sub Magistrate, Bantwal and the Sub-Divisional Magistrate, Mangalore has been carefully considered by me and has been found not so convenient or -------

advantageous. The villages are much nearer to Puttur than to Bantwal. They are already in the Station limits of Golithattu in Puttur Circle and are included in the jurisdiction of the District Munsif of Puttur. The transfer of Revenue jurisdiction to Puttur will, therefore, require no redistribution of Station limits, while the villagers accustomed already to go to Puttur for civil and criminal work will find it more convenient to go there for Revenue work also. I have consulted the President of the Mangalore Taluk Board also in the matter and he has no objection to the transfer of the villages to Puttur Taluk.

4. The notification required under B.S.O.201, Volume I has been published in the District Gazette dated 24th August 1928 and no objections have been received. A petition was received from the inhabitants of the two villages prior to the issue of the notification, protesting against the proposed -- transfer. The grievances alleged therein have been reported by the Deputy Tahsildar, Bantwal to be groundless.

Your obedient servant,

For Collector.-

To The Collector of S. K

The Mahazar petition of the residents
of the villages of Tekkai
of ~~Tekkai~~ and Bayar

We have been the residents of
Mangalore Tq from a long time

Being villagers we have
just now come to understand that
the villages of Tekkai and Bayar are
decided to be transferred from Manj
to Puttur Tq

We beg to state that though
Mangalore Town is a little distance
from our villages still being
connected by the Netravati river
we have much facility to many
our necessaries of life through
river in the absence of the rd
and we have been carrying on
trade also conveniently through
and attending to our Revenue & business
the river. Although it appears

Puthur is now [illegible] there is no Cauvery water. Apart from this the fields which have to be transferred to Nerunji now also should be irrigated. We feel much disappointed to carry on our trade with Puthur

As the main place we trade with is Mangalore we are sure to suffer if we have to go to Mangalore and we will lose much disappointed if we are discontinued to be known as Mangaloreans

If the villages are transferred to Puthur Taluk we are sure to suffer from much loss and difficulty

We therefore humbly pray that the new assessor be sent to transfer these villages to Puthur Taluk we may be given up and it may be ordered that they should continue in the old Mangalore Taluk

14-1-25 Please See the letter from the Collector of S. Kanara at pp 1-2 ff.

The Coll. has proposed the following changes in jurisdiction over the two villages of Baraya and Tekker in the Mangalore taluk.

Name of the villages	Revenue Jurisdiction		Magisterial Jurisdiction		
	Existing Jurisdiction	Proposed Jurisdiction	Existing Jurisdiction	Proposed Jurisdiction	
Baraya, Tekker	Deputy Tahst. Bantwal Rev. Dvl. Officer, Mangalore	Tahsildar, Puttur. Rev. Dvl. officer, Puttur	Sub. magistrate, Puttur. Sub-divisional Magte, Puttur	No change.	

The above changes have been proposed by the Collector so as to make the revenue and magisterial jurisdictions over the two villages coincide. He states that the villages are nearer to Puttur than to Bantwal, and that the people will find it more

Convenient to go to Puttur to transact their revenue business. He also adds that the president of the Mangalore taluk Board has no objection to the proposed change.

He reports that a petition was received from the inhabitants of the 2 villages before the publication of the notification of the proposal in the District Gazette and that the grievances alleged therein have been reported to the grounds. The Collector has however not submitted a copy of the objection petition

may be called for with the Tahsildar's report thereon

To Asst. Secy

Please see the petition protesting against the transfer of the two villages from Mangalore taluk to Puttur taluk (translation put up at (T)), and the remarks of the Deputy Tahsildar thereon

Mr 5-7 cf

(T)

The petitioners object to the transfer on the grounds

(T)

(1) that though Puttur is nearer to the villages, there is no connecting road from the villages to Puttur.

and (2) that Mangalore is the main trading place for them, and the villagers will suffer financially if they give up Mangalore.

9/19/4.V.

Mr 6-7 cf

The Deputy Tahsildar of Bantwal, in stating that the alleged difficulties enumerated in the petition are more imaginary than real, observes that,

(1) there is Bus Service to Puttur, and consequently there seem to be no difficulty in transport,

and (2) that the people of the whole district have to go to Mangalore to find a market for their commodities, and that the difficulty is not peculiar to the residents of the two villages alone. The Dy. Coll. further states that Putter only 8 miles from the villages in question while Mangalore is 28 miles from Dekkar and 31 miles from Bantwal. Moreover the two villages lie in the jurisdiction of the District Munsif, Putter, and Sub-magistrate, Putter

In the circumstances stated above, it is submitted for orders whether the Board would support the Collector's proposal
